CHICAGO AGAIN WINS.

An Immense Crowd Witnesses
the Contest

AT WHITE STOCKING PARK,

Chicago, Where the Home Team

Again Beats the

New York Club to the Tune of 2 to 1, Thereby

Securing the National Pennant for the

Season—Some Brilliant Playing Accredited

to Both Clubs, Especially the Chicagoans,

Burns Having Made a Fine Double Play

and Pfeiffer Succeeding in Knocking the

Sphere Over the Right Field Fence for a

Clean Home Run—Other Games.

CHICAGO, Sept. 30.—The day is splen-

d for playing, barring a light wind.

The crowd began assembling at noon,

and by the time the gates opened

(1 o'clock) there were 10,000 people

ready to come in. New York came

on the field at 2:30, and were hand-

somely welcomed by the audience.

When the second ball rang the Chicagoans

came out on the field amid the greatest

applause, accompanied by the Mascott,

"Little Willie Hahn." Clarkson and

Keefe will be the battery for Chicago

and Ewing for New York.

The third ball rang at 3 o'clock, and

Curry, the umpire, called the Captain

up to toss for choice. Chicago won the

toss, and New York went to the bat.

There are no ground rules. In the

first inning both clubs were white-

washed. Dairymple and Gore each

made a base hit. Gore was left as

Kelly struck out. The second

inning was characterized by a fine double play

by Burns. Both clubs were retired

without scoring. In the third inning

there were two men on bases,

but Clarkson saved the inning. In the

fourth inning Dairymple made a two-

base hit and Gore made another. Dair-

ymple scored, but the visitors failed to

score. Both clubs failed to get a run in

the fifth, and in the sixth both were

again retired with goose eggs. In the

seventh inning, with two men out,

Pfeiffer scored a clear home run over

the right field fence. The New York

team scored their run in the ninth in-

ning, when the shadows were thickening

fast. On two successive

throws to Anson on first base

from the infield, he was unable to

distinguish the ball, and failed to get

it. The game was a splendid contest

in every way, and up to the ninth in-

ning was perfectly played, whatever

errors occurred being credited on the

Chicago side to the batteries. The con-

test was exciting at every point, and

the score was kept so low that a clear

base hit at four or five stages of the

game would have turned the tide in

favor of either side. Five men were

on the New York side died on bases for

the need of clean hits, while Chicago

had only one. Keefe, for the New

Yorkers, pitched without an error, and

was batted for five hits, for a total of

nine bases, while the New York bats-

men confined themselves to five hits for

many totals, and cleaner fielding

than was exhibited by the team was not

possible, some of the outfield plays be-

ing remarkably brilliant, but on the

part of the Chicagoans no resulting errors

occurred until the last inning, when

they were excusable and almost un-

avoidable.

Chicago now has a lead of four games

over New York, and are practically

assured the championship, as only six

games remain to be played. On this

expectation a series has been arranged

between the Chicagoans and St. Louis

Browns for the supremacy between the

League and the American Association.

A purse of \$1,000 will be offered.

Soldiers in a Sad Fight.

LONDON, Sept. 30.—A dispatch from

Constantinople, received this afternoon,

says, considerable consternation pre-

valais, official circles over an impor-

tant discovery just made by Ali Pasha

Pasha, the new Minister of War. Im-

mediately on being installed in his new

position Ali Pasha ordered the various

departments of the army to report the

strength of their various respec-

tive commands and their present

condition, and detailed several officers

to inspect the various posts. Their re-

ports have been received, and show

that under Ghazi Osman Pasha, late

Minister of War, who was dismissed

September 25, the army was almost

entirely neglected, and the large sum-

of money voted for military purposes

were used in other ways than those for

which they were meant. Inquiry has

revealed that the Adrianople army,

which was supposed to be 15,000 strong,

contains not half that number. The

soldiers have no uniforms and are shoe-

less. The cavalry is unable to march,

owing to a lack of horses and necessary

accessories. Four hundred horses and

2,000 men, who have been fully

equipped, are under orders to march at

an hour's notice.

Four-Story Building Collapses.

CHICAGO, Sept. 30.—The four-story

brick building in the rear of 196 and 198

South Clark street collapsed at 2:30

o'clock this morning. The basement

was used as the working part of a bak-

ery, and several employees engaged

there had a narrow escape. The loss is

estimated at \$50,000. The supports

throughout the entire building were

wood, and it was ascertained the col-

lapse was caused by dry rot in the tim-

ber, which had given no evidence of its

weakness until its collapse.

THE SITUATION AT MONTREAL.

Small-Pox Placards Torn Down—Four of the

Rioters Imprisoned.

MONTREAL, Sept. 30.—Only two

small disturbances occurred last night,

one at the great Nunnery and the other

later on at the Champ de Mars. The

police had received information that

the mob would assemble at the latter

place, and a strong force was on hand.

On becoming unruly the crowd was

quickly dispersed. Everything is quiet

this morning. The large force of

police called out has evidently had a

good effect. No further serious trouble

is anticipated. Public feeling is com-

pletely aroused by the conduct of the

rioters, and the police are denounced

on all sides for their seeming want of

courage. The authorities are resolved

to carry out the health laws vigorously,

and will take whatever steps are nec-

essary for that purpose.

There were 184 deaths from small-pox

in this city during the four days ending

on Tuesday night, besides fifty-one in

adjoining municipalities. Alphons

Mouss and William Beebe, who were

arrested during the riot on Monday,

were today sentenced to four months'

imprisonment. Four young men, three

named Perrault and one Cowan, who

were arrested on St. Charles street last

night, were discharged today. Over 100

placards were torn down in the Eastern

District yesterday, but the Sanitary

Police replaced them today. This after-

noon three members of the Royal Scots

were badly beaten by a crowd of

roughs. A number of lumber merchants

gave their employees the option of being

vaccinated or of leaving their employ.

Forty of them this morning went on a

strike. They got full of bad whisky

and returned at noon and threatened to

have their revenge tonight. General

Middleton is in the city and will remain

as long as his presence is needed. Sub-

sequent to a meeting of the committee of

police were attacked near Bonsecour

market today by a mob with stones but,

the police charging upon them, they fled.

The city will continue under military

protection during the night. Every-

thing is quiet up to this hour (11:30).

Prince Bismarck Petitioned.

BERLIN, Sept. 30.—The Central Union

German manufacturers, representing

the leaders of the Protection party, have

petitioned Prince Bismarck, asking him

to inquire into the subject of bimetall-

ism. The petition is the outcome of
